Subject: - Revised Bilateral Open Access Details for the month of August, 2017

महोदय /Sir,

Discrepancies were observed in the Revised Bilateral Open Access Details for the month of August, 2017 issued on 4th September, 2017, which was issued after rectifying the error due to the special character “#” (which is used as a separator in software) in the data for the period 1st to 20th August, 2017. SRLDC reported that special character “#” would not be used further in the data. However, on analyzing the revised Bilateral Open Access details it is noted that # is present in the data for the period 21st to 31st August, 2017, causing discrepancies.

Accordingly, the discrepancies have been rectified and the Bilateral Open Access details are revised. The revised transactions are uploaded on the SRPC web site, www.srpc.kar.nic.in.

The inconvenience is regretted.

भवदीय, Yours faithfully,

(आर एम रंगराजन/ R. M Rangarajan)
