Subject: - Revised Deviation Settlement account statement (R1) for SPDs of Ananthpuramu Ultra Mega Solar Power Park for the period 1st October 2018 to 11th November, 2018-regarding.

Ref.- SRLDC mail dated 20.11.2018.

Sir,

Deviation Settlement account statement accounts for the respective weeks of the above mentioned period were issued based on the data received from SRLDC. However, it was noticed that the drawal during night time by the SPDs ACME, Bhiwadi, ACME, Hisar and ACME, Karnal were not recorded and hence shown as zeros in the data files. The matter was discussed in the special meetings as well as in the meeting of Commercial Subcommittee of SRPC. It was accordingly decided that block wise average drawal by other SPDs of the park, during zero schedule blocks, could be correspondingly assigned to above referred ACME SPDs, based on respective installed capacity.

Further, SEM data in respect of Azure and ACME SPDs for the period 08-22 October, 2018 and 15- 22 October, 2018 respectively were missing in the data files furnished by SRLDC. The same have since been furnished by SRLDC.

Accordingly, the weekly DSM accounts for the period 1st October 2018 to 11th November, 2018 have been revised taking the average drawl for ACME SPDs during zero schedule blocks as above and the revised data furnished by SRLDC. The revised account statements are attached at Annexure.

The revised account statements are available on SRPC website.

The inconvenience is regretted.

Yours faithfully,

अधीक्षण अभियन्ता(वा)/Superintending Engineer (C)
